Address: Loc. Is Molas 09010 Pula, Cagliari - Sardegna - Italy

Is Molas Hotel is located 33 kilometres from Cagliari, near Pula. Thanks to its extraordinary panoramic position, it enjoys a magnificent view of the sea of Sardinia, the tower of Nora and the hills of Sulcis, cloaked in the colours and scents of the Mediterranean *macchia*.

Open from March to November, Is Molas Hotel has 75 rooms and one suite. The rooms are laid out on three levels and frame the garden, with its lawn and typical Sardinian shrubs, like a theatre. From the reception you enter the hall, with its indoor bar, open in the afternoon and evening. The atmosphere is welcoming, peaceful and cheerful, with an unmistakable Mediterranean touch. The dining room of the restaurant is at the disposal of the hotel's guests for lunches and dinner. The cuisine offered by the chef of Is Molas Hotel to its guests is based on the local products of Pula and Sardinia: constantly changing recipes, inspired by the Mediterranean tradition and enriched with touches of the Orient, presented with great care. The restaurant can seat around 150 indoors and the same number in the terrace. From May to September the heart of the hotel is the garden laid out around the swimming pool, with an open-air bar sheltered by the wooden patio.

The town of Pula, with its nightclubs, shops and the private beach of the Is Molas Beach Club, is just a few minutes from the hotel. The golf course of Is Molas with its 27 holes is only 100 metres from the reception.
